Collection: We may collect the following types of personal information about you: identification information and documents; photograph; address history; police records; court records; employment history, including fiduciary or directorship responsibilities; education history; financial information, including credit history, bankruptcy and financial judgments; driving records; membership, registration or disciplinary action with regulatory or professional bodies; inclusion on watch or sanctions lists; social media activity; mentions in online or print media; or opinions about your performance, qualifications and character. We may collect personal information directly from you, the Company, or third parties such as police, courts, employers, educational institutions, consumer reporting agencies, government agencies, regulatory or professional bodies, references you provide and publicly available print or online sources. We may compare information received from different sources for consistency. The exact types and sources of personal information will depend on the Services requested by the Company.

Use: Our data entry, order fulfillment, quality assurance, client service, finance and compliance teams may use your personal information to complete Services, prepare Reports and communicate with you or the Company. These teams include our employees in Canada, the Philippines, India and the United Kingdom. Personal information may be transferred to additional countries if we need to collect personal information from those countries or use a language other than English or French. Wherever your information is transferred, it will be handled in accordance with our privacy and security policies and Canadian laws, but it may also be subject to foreign laws.

Disclosure: We will disclose your personal information to the Company. Canadian Criminal Record Check

If a Canadian Criminal Record Check is requested by the Company, a search of the Royal Canadian Mounted Police (RCMP) National Repository of Criminal Records will be conducted by a Canadian police service on our behalf through the Identification Data Bank of the Canadian Police Information Centre (CPIC) using your name(s), date of birth and declared criminal record. The result will indicate whether a criminal record exists that may match your personal information, and whether your declared criminal record is a complete and accurate match to the record on file. In some cases, the search may be inconclusive. We will not receive details of your criminal record other than those you provide. Only the submission of your fingerprints to the RCMP can result in the release of a Certified Criminal Record and resolve inconclusive or disputed results. For more information, please contact one of our Privacy Analysts using the contact information above.

By signing below, I acknowledge that I have read the privacy notice above and consent to the collection, use and disclosure of my personal information as described in it, effective immediately and continuing for a period of one (1) year. I certify that my personal information provided to Sterling and the Company is complete and accurate to the best of my knowledge, and I understand that providing inaccurate, incomplete or misleading information may disqualify me from consideration by the Company.
